

HIVE ROOM is a partnership project of ProCredit Bank, Quipu and Mastercard to support the local community, encourage innovation and develop local businesses.

Using the co-working space in the HIVE ROOM is free. Any interested freelancer or startup company has the right to apply to use the space, whereby freelancers have the right to use it for a period of 6 consecutive days from Monday to Saturday, and startup companies for a period of 14 consecutive days starting from Monday.

Each freelancer/startup is required to fill out the application form and indicate the days/dates they are interested in using the space. If the candidate is flexible about using the space at any time, it is necessary to specify "open date" in the period field.

The selection of freelancers and startup companies will be made randomly by the organizers. The selected candidates will be contacted by the responsible persons at the attached telephone number no later than 3 days before the beginning of the period of use of the space and will receive a confirmation by e-mail.

The space has 6 working positions. On the day of starting to use the space, the selected candidates are required to sign an Agreement agreeing to conscientious use of the space. The working hours of Hive Room are Monday to Friday from 09:00 AM to 10:00 PM and Saturday from 12:00 PM - 22:00 PM.
